Dear New Graduates,

The Mississippi Dental Hygienists' Association would like to wish you "Good Luck" on your State Board Examinations! As Registered Dental Hygienists, the MDHA is *your* professional state organization that makes certain *your* career continues to thrive and innovatively develop into the future. The MDHA has a wonderful new website that is convenient to navigate, has a wealth of information about activities in the state, offers various ways of supporting your professional organization and allows you to empower yourself as a professional. Visit the <http://www.mdhaonline.org> regularly for updated information on the new car tag, continuing education units, legislation, and the next Annual MDHA Session

Advantages of joining the ADHA/MDHA:

- Networking with colleagues
- Empowering yourself as a professional
- More reasonable continuing education costs geared toward dental hygiene
- Assisting your state chapter with maintaining legislation
- ADHA assistance with relocation to other states
- Email Newsletters to keep you informed
- Participating in component community projects
- The Governmental Affairs Division of ADHA works to promote the interests of dental hygienists through federal and state policy efforts.
- ADHA/MDHA is protecting YOUR interests.

The ADHA/MDHA's accomplishments in the future depend on your support!

Sincerely,

Linda Hiter, President MDHA
